- Interview workers and facilitate focus group discussions.
- Undertake a case study of one selected garment factory.
- Assess food access, drinking water, and heat-related health risks.
- Analyze findings and develop recommendations.
- Present findings to CENTRAL and partners.

Deliverables

- Inception Report and research tools.
- Case Study Report (approximately 5 pages).
- Advocacy Position Paper.
- Presentation of key findings and recommendations.

Qualifications

- Degree in Public Health, Nutrition, Labor Studies, Social Sciences, or a related field.
- Proven experience in research and qualitative data collection.
- Good understanding of labor rights, occupational safety and health (OSH), and Cambodia's garment sector.
- Strong analytical and report-writing skills in English.

How to Apply
